Please find below and/or attached an Office communication concerning this application or proceeding.

Art Unit: 3672

MISCELLANEOUS LETTER

On 25 February 2005 an Appeal Brief was filed in Application Serial No. 09/496,467. However, this application was abandoned on 05 December 2002 thus an Appeal Brief is not considered an appropriate response to the last action taken by the Office; only a Petition to Revive may now be filed by applicant. Therefore, the Appeal Brief has not been entered and no further action by the Office in this application will be taken.

The examiner has noted however that it appears that applicant intended for the above Appeal Brief to be filed in the child of this application, Application Serial No. 10/213,312, which is under final and for which a Notice of Appeal was filed on 27 December 2004. If applicant did intend for the above Appeal Brief to be filed in Application Serial No. 10/213,312 the brief must be refilled in the appropriate application.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jennifer H Gay whose telephone number is (571) 272-7029. The examiner can normally be reached on Monday-Thursday, 6:30-4:00 and Friday, 6:30-1:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Bagnell can be reached on (571) 272-6999. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
